

Nominate **GARY HEATHER ...**

... for the Labour Party NEC

A Labour Party member for 22 years, I am chair of my CLP. I have experience as a council and parliamentary candidate. As a trade unionist, I served on the CWU NEC and am President of Islington TUC.

I campaign for a fairer society, social justice and equality. I want public services that deliver first class: housing, education, health care and transport for all.

Wealth must be redistributed from rich to poor. I believe in co-operation, not competition. All public services and utilities should be publicly owned and accountable. We must oppose war and promote peace. We must maintain a strong trade union link. In a globalised world our perspective must be internationalist.

On the NEC I would be a strong representative for members, seeking to advance real Labour values by working with other like-minded NEC members, trade unionists and grassroots party members. I would regularly report back to members.
